

Doug graduated from the Faculty of Pharmacy at the University of Manitoba in 1998. His work experience includes a variety of practice environments in the United States and Canada including hospital clinical roles, teaching and managing a rural community pharmacy. He is a board member and CPhA liaison with Pharmacists Manitoba and participates in CPhM Safety IQ and Travel Health working groups. In 2015, he completed a Certificate in Travel Health and has been offering travel health services in a collaborative practice with a local physician. He currently works at Access Fort Garry in primary care.
