### Administering Product Subsidy – ClaimSecure Third Party Payor Certificate

ClaimSecure certificate is to be **PAYOR OF LAST RESORT**

1. Select CLAIMSECURE as the Third Party Payor
2. Enter the Certificate Number provided by Pharmacists Manitoba
3. Enter Group ID number
4. Ensure CARDHOLDER is selected as the Relationship Code
5. If the patient has an electronic primary plan (public or private), enter the Certificate Number as the LAST plan; if they have no coverage, enter it as the PRIMARY plan.
6. Claims for eligible smoking cessation products can now be processed as a normal drug transaction with the above card information.
7. Inactivate the Certificate once the \$100 subsidy has been exhausted.

### Evaluation – Separate claim required anytime pharmacotherapy is dispensed

- PIN (00660003) Nicotine Gum
- PIN (00660004) Nicotine Patches
- PIN (00660005) Nicotine Lozenges
- PIN (00660006) Nicotine Inhalers
- PIN (00660007) Nicotine Spray
- PIN (00660008) Non-Drug and/or Off-Label Therapy
- PIN (00660010) Bupropion
- PIN (00660011) Varenicline

A separate transaction is required any time eligible pharmacotherapy is dispensed for a patient participating in the program.

- Create a drug file/card titled “SIB Product Evaluation”
- Submit claim to DPIN for Drug Utilization only using Pseudo Identification Number (PIN) corresponding to the type of pharmacotherapy
- Use Pharmacist ‘X’ license number in Prescriber ID field;
- Enter a “DU” (Drug Utilization) intervention code;
- Indicate the quantity equal to the quantity of pharmacotherapy just dispensed;  
Refer to Claims Submission Process for examples of scenarios such as multiple types of pharmacotherapy dispensed simultaneously, multiple strengths of the same type of pharmacotherapy dispensed simultaneously, and non-drug or off-label therapy.
- Indicate the total days’ supply as one (1);
- Enter an ingredient cost of \$0.00 (or \$0.01, if required by pharmacy software); and
- Enter a Professional Fee of \$0.00
